If you ever anticipate needing extended childcare the hourly rate is \$5.50 per student, billed at the end of each month. Drop-In students are welcomed, but if possible please notify staff ahead of time, so your child and staff will know where they need to be after school.

### Discounted Extended Childcare Fee Options

If a family requires extended childcare on a regular basis the monthly fee is the best value. One can sign up for mornings, evenings, or both for the amount of days needed each week. In order to receive the discounted rate, families commit to a 10-month plan. All monthly childcare fees are due on the first of the month and paid directly to HCS.
