

## 2022-2023 Hillcrest Christian Early Education Tuition Rates

Hillcrest Christian School (HCS) is a ministry to Christian families desiring a Christ-centered, excellent quality education for their children. We are not subsidized by any church or denomination; as a result, tuition is our primary source of income and an investment in your child’s education and spiritual formation.

### 2022-2023 TUITION RATES AND FEES

- **Application Fee** – Due in full at the time of online application.  
New applicants for enrollment must complete an online application and submit it together with a \$25 fee per Early Education student. The submission of an application is not a guarantee that your child will be enrolled.
- **Annual Registration Fee** – Due in full at the time of online registration.  
All HCS students are charged a nonrefundable annual registration fee of \$250, which reserves your child’s space in the class until the first tuition payment is due.
- **Monthly Payment Plan** – HCS also offers a monthly payment plan; there is a \$50 set up fee. Details are explained through FACTS.
- **Students Enrolling After August 1st** - All fees are prorated and paid in full at the time of enrollment, along with the first month’s tuition payment. All tuition payments are completed by May.
- **Changes in Schedule** - Any changes to your child’s schedule require a 30-day written notice and EE Director’s approval. Please note there is a \$50 fee due at the time the notice is given. No changes will be made without payment.
- **Refund Policy** - We ask for 30-day written notification when needing to withdraw from the Early Education program.
- **Placement:** Children will be placed in rooms by assessed and moved based on developmental readiness.
