If you ever anticipate needing extended childcare, the hourly rate is \$7.25 per student, billed at the end of each month on the 25th. Drop-In students are welcomed, but if possible please notify staff ahead of time, so your child and staff will know where they need to be after school. A minimum charge of one hour will be assessed if your child is checked into child care. Charges are billed on the hour. Students must be supervised while on campus.

### Extended Childcare Fee Options

If a family requires extended childcare on a regular basis the monthly fee is the best value. One can sign up for mornings, evenings, or both for the amount of days needed each week. In order to receive the discounted rate, families commit to a 10-month plan. All monthly childcare fees are due on the 1<sup>st</sup> of the month and paid directly to HCS through your FACTS account. A late or NSF fee will be applied if payment is returned.

**There will be an annual \$25 registration/supply fee for Extended Care. This fee will be applied to all students, monthly and drop-in.**
