If you ever anticipate needing extended childcare, the hourly rate is \$7.25 per student, billed at the end of each month. Drop-In students are welcomed, but if possible please notify staff ahead of time, so your child and staff will know where they need to be after school. A minimum charge of one hour will be assessed if your child is checked into child care. Charges are billed on the hour. Student must be supervised while on campus.

Discounted Extended Childcare Fee Options

If a family requires extended childcare on a regular, basis the monthly fee is the best value. One can sign up for mornings, evenings, or both for the amount of days needed each week. In order to receive the discounted rate, families commit to a 10-month plan. All monthly childcare fees are due on the 1st of the month and paid directly to HCS. A late fee of \$15 will apply after the 10th of the month. A second late fee of \$25 will occur after 20th of the month.
